Small Grants
HydroPark: Add dog park; add sandbox, merry-go-round, see-saw, garbage cans, bicycle lock-up area; pergola or area for shade. We need a more feasible proposal with feasibility, cost estimating, volunteer hours, construction materials donated, etc.

Earthquake Ideas: earthquake prep – go back to person with specific proposal and ask for more details

Traffic Ideas: Send ideas to Portland Bureau of Transportation because SCA could not implement them

Intersection Painting/Mural/Garbage Cans: Ask Weina if there is one of these proposals that she would like to pursue in more detail.

Helping neighbors repair sidewalks, remove invasive plants, and/or remove unhealthy trees and replace with healthy trees.
