

Dear Community Member,

We are so grateful for all that you do to help make our community thrive. Sabin School has been committed to this same ideal for decades. Sabin is a K-5 elementary school located in NE Portland, which serves a wonderfully diverse community. It's a place where close to 500 students, teachers, parents and family members come together to take part in daily learning, after school activities and sports, and community-wide events.

Sabin school is making a bold move by eliminating our annual auction and broadening our fundraising efforts to highlight and include all members of our community. We have found that the high cost of tickets required to cover the venue and catering costs made access to the annual auction event prohibitive for many of our families. As a community we have decided to distribute our fundraising efforts throughout the year and choose opportunities that build up our strong sense of community.

On that note, we are excited to announce the third annual **Run for Sabin School** event on **Friday, October 26, 2018** and we are looking for community support for this event. This school-wide community event is being organized by the Sabin PTA with collaboration and support from school staff. Our ambitious goal is to raise **\$50,000 through the funds raised by Kindergarten to 5th grade students** to promote educational excellence and support the success of all Sabin students. Funds raised will go towards:

- **Reading and math interventions** to support our elementary students who need additional help and coaching to thrive.
- Our successful **Restorative Justice** program that requires funding to continue this year.
- Two **Educational Assistants** to support children with special needs (unfortunately due to state wide budget cuts our school lost funding for these positions).
- A **family services support fund** to assist families struggling to cover basic needs. This might include gas gift cards and food gift cards.

*We invite you to be part of our community of sponsors that help all of our students flourish by supporting this event. **As a Run for Sabin School sponsor, you will be highlighted as a Sabin School supporter to the families of our 500 students who really value community involvement.*** Previous sponsors have shared with us that donating to Sabin School has been an extremely positive experience and has resulted in an effective and successful form of advertisement for their business. Please see the next page for the opportunities for sponsorship.

Your donation is tax deductible. The Sabin PTA is registered as a 501©(3) nonprofit corporation with a tax ID number of 93-1037650. We will provide a tax receipt for your donation.

Thank you for considering a donation to Sabin School! Your contribution and generosity will make a difference in the lives of the children and families living and working within our community.

If you have any questions or would like additional information, please feel free to contact Kim Ford at kimberlyford77@yahoo.com.

Sincerely,

Committed Sabin Parents and Run for Sabin School Planning Committee
